SOCCER TOTS (NEW IN 2010)

In 2010 MPS introduces soccer to tomorrow's superstar at the age of 3 years old!!

The MPS Soccer Tots clinics are for **YOU** and **YOUR** child. The program is designed to allow 3 year old boys and girls to take part in a **FUN**, **SAFE** and **ACTIVE** introduction to soccer. MPS will offer a week program with two separate hour long time slots to chose from. Not only will your child **ENJOY** and learn but parents are also encouraged to take part and experience the **FUN**.

Soccer Tots programs are from 9.30am - 10.30am and/or 11am - 12pm in specific towns (please see the schedule for further information).
