- Cape Cod Crusaders PDL franchise;
- MPS Youth Development Academy:

Camps, Clinics, the School of Excellence Program and the Premier Team Program.

The School of Excellence Program had over 650 players enrolled in the fall of 2005 in 11 locations. The Premier Team program currently has 28 teams aged U13-19. The camp program had over 4000 campers enrolled in 2005. The clinic program works with 35-40,000 players throughout the year.

MPS has 2 offices, 35 full time staff coaches and over 50 Regional staff coaches. MPS is the only club in New England that has a PDL franchise (the Cape Cod Crusaders) and a W-League franchise (the Boston Renegades) giving us a unique structure and the ability to develop players from U-8 through U-23.

We have a consistent development philosophy through our entire program which includes standardized systems of play for our Premier Teams. MPS is the biggest club in New England and one of the biggest soccer organizations in the U.S.

Smart Soccer (4-8 years old)

A fun introduction to soccer. We have established an innovative program, which focuses on learning through fun games and small-sided play. Co-ed groups experience our Smart Soccer philosophy of promoting fundamental skills and sportsmanship.

Junior Bulldogs/Renegades/Crusaders (9-10, 11-12 years old)

A progression on technical skills and an introduction to individual and small group tactical concepts. Boys and girls are separated into single sex groups to follow the Junior Bulldogs, Renegades and Crusaders program.

The School of Excellence Camp Program (8-13 years old)

Provides a more rigorous training environment for young players who are prepared to work hard at improving their level of play. The curriculum mirrors our School of Excellence year-round program, which feeds into the MPS Premier Team Program. *Only provided if requested by your club or town.*

The Elite Program (13-14, 15-17 years old)

All players, including goalkeepers, benefit from advanced instruction on the technical and tactical aspects of the game. The first team's PDL and W-League coaching staff is part of all our Elite Camps. Get a head start for your High School season with our Elite Program.

The MPS Goalkeeping Program

Goalkeeper training is an often missed element of youth development. This program allows goalkeepers to benefit from expert instruction relayed at our various GK programs by our professional goalkeeping coaches.

Soccer Star Skill Challenge -- Afternoon Program

Test your skills with our dribbling obstacle course, target shooting, passing accuracy tests and more in our Soccer Star Challenge. Every afternoon finishes with small-sided games.

MPS also provides Premier Development teams, which are designed for those on the cusp of making the Premier Teams. The MPS Premier Team Program represents the top 5% of soccer players in Massachusetts and the surrounding areas.

This system allows MPS to promote its own Premier Team players into their highly successful senior teams, the Cape Cod Crusaders (2002 & 2003 PDL National Champions) & the Boston Renegades (2001 & 2002 W League National Champions).

MPS has an extensive college recruiting program in place to assist players with their college choice and application.

MPS has won 9 National titles in the last 5 years.

The MPS Premier Teams compete in the Super Y League, US Club Soccer & USYS Cup competitions as well as attending tournaments. The Super Y League is made up of a series of regional leagues within the framework of a North American league containing the top clubs & players from the United States & Canada.

Affiliated with US Soccer & partnered with US

Club Soccer, the league is designed for talented youth players destined for professional or international careers. Through Olympic Development Programs (ODP) such as the North American Finals & National ODP Camps, players have the opportunity to be selected for US National Team Programs.

In 2005 MPS sent 96 players to the National ID Camps in Florida.
